

Fuel License Application

To Applicant: READ this page to determine what type of fuel license(s) or account you qualify for.

- If you qualify for any of the fuel licenses, check the appropriate box(es).
- If you qualify for fuel licenses or accounts, complete the section on page 2 and QUESTIONS on page 3.
- Before submitting this application, review the check list for each license or account to make sure you have provided all information and documents required for processing your application.

Enter all previous or existing fuel tax licenses and account numbers you have had with the Utah State Tax Commission:

<input type="checkbox"/> Special Fuel Supplier (For importers, refiners, blenders of diesel fuel)	Effective date (mm/dd/yy)	Monthly estimated tax
---	---------------------------	-----------------------

QUALIFICATIONS: (Check all boxes that apply to you. If none, you do not qualify.)

- Imports diesel
 Produces, refines, manufactures, or blends diesel fuel.
 Acquires for distribution or sale in this state, diesel fuel not previously taxed.
 NONE If you checked this box, you do not qualify for a Special Fuel Supplier License.

If you QUALIFY, complete pages 2 and 3.

BOND: Special Fuel Supplier licenses are conditional. If an applicant or a fiduciary of the applicant has a history of filing or paying late, the applicant is required to resolve past delinquencies and/or post a bond of at least \$10,000, not to exceed \$500,000. Fuel tax bonds may be combined into one bond. The amount of the combined bond is the sum of the bond amounts required for each fuel tax type on the combined bond.

<input type="checkbox"/> Motor Fuel License (For importers, refiners, manufacturers, or wholesalers of gasoline)	Effective date (mm/dd/yy)	Monthly estimated tax
--	---------------------------	-----------------------

QUALIFICATIONS: (Check all boxes that apply to you. If none, you do not qualify.)

- Blends
 Produces, refines, manufactures, or compounds motor fuel for use, distribution, or sale.
 Imports motor fuel for use, distribution, or sale.
- Purchases motor fuel for resale in wholesale quantities to retail dealers inside or outside of Utah (does not require license, if all Utah tax is paid to a Utah licensed distributor).
 NONE If you checked this box, you do not qualify for a Motor Fuel License.

If you QUALIFY, complete pages 2 and 3.

BOND: Motor Fuel licenses are conditional. If an applicant or a fiduciary of the applicant has a history of filing or paying late, the applicant is required to resolve past delinquencies and/or post a bond of at least \$10,000, not to exceed \$500,000. Fuel tax bonds may be combined into one bond. The amount of the combined bond is the sum of the bond amounts required for each fuel tax type on the combined bond.

<input type="checkbox"/> Aviation Fuel License (For importers, refiners, manufacturers, or wholesalers of aviation or jet fuel)	Effective date (mm/dd/yy)	Monthly estimated tax
---	---------------------------	-----------------------

QUALIFICATIONS: (Check all boxes that apply to you. If none, you do not qualify.)

- Blends
 Produces, refines, manufactures, or compounds aviation fuel for use, distribution, or sale.
 Imports aviation fuel for use, distribution, or sale.
- Purchases aviation fuel for resale in wholesale quantities to retail dealers inside or outside of Utah (does not require license, if all Utah tax is paid to a Utah licensed distributor).
 Makes aviation fuel retail sales to both federally certificated air carriers and other persons.
- NONE If you checked this box, you do not qualify for an Aviation Fuel License.

If you QUALIFY, complete pages 2 and 3.

BOND: Aviation Fuel licenses are conditional. If an applicant or a fiduciary of the applicant has a history of filing or paying late, the applicant is required to resolve past delinquencies and/or post a bond of at least \$10,000, not to exceed \$500,000, UNLESS the monthly average tax liability is \$500 or less and retail sales of aviation fuel are made to both federally certificated air carriers and other persons. Fuel tax bonds may be combined into one bond. The amount of the combined bond is the sum of the bond amounts required for each fuel tax type on the combined bond.

<input type="checkbox"/> Environmental Assurance Fee	Effective date (mm/dd/yy)	Monthly estimated tax
---	---------------------------	-----------------------
