

Utah Cigarette and RYO Authorized Brands

Utah State Tax Commission Publication 51

Revised 4/10/2008

This publication lists all tobacco products certified by their manufacturers as produced for sale in the State of Utah. Products not appearing on this list are prohibited, may not be stamped, and are subject to confiscation as contraband.

Even though this publication lists a product, the State of Utah may:

- Seek payment under the Tobacco Master Settlement Agreement,
- Enforce deposits into a qualified nonparticipating manufacturer escrow account,
- Remove a company name or brand family from this publication, or
- Take any other needed legal action to enforce cigarette and tobacco laws.

A listed brand includes all styles of that brand unless otherwise indicated.
