

Utah Cigarette and RYO Authorized Brands

Utah State Tax Commission Publication 51

Effective 4/15/2009

This publication lists all tobacco products certified by their manufacturers as produced for sale in the State of Utah. Products not appearing on this list are prohibited, may not be stamped, and are subject to confiscation as contraband.

Even though this publication lists a product, the State of Utah may:

- Seek payment under the Tobacco Master Settlement Agreement,
- Enforce deposits into a qualified nonparticipating manufacturer escrow account,
- Remove a company name or brand family from this publication, or
- Take any other legal action to enforce cigarette and tobacco laws.

Fire-safe Certification

A listed brand includes all styles of that brand unless otherwise indicated. Brands which are followed by an asterisk * are fire-safe certified.

For information on whether a specific style of a brand family has been certified fire-safe, please refer to the fire marshal's listing of fire-safe certified cigarettes. This information can be found at <http://publicsafety.utah.gov/firemarshal/cigarettes.html> or by clicking on Fire Standard Compliant Cigarette Master List below.
